3. Rehearsals and Performances

Each member of the Youth Choir is expected to participate in all concerts of each season (unless the SSSC requires a reduced number of singers for a performance). Youth Choir members will also be required to remain standing throughout performances, which could last up to 60 minutes or more.

Members are expected to attend all rehearsals scheduled*, especially all rehearsals deemed compulsory including those within concert week.

*We recognise that members lead busy lives, but we do ask for all to commit fully to rehearsals and attending them. Prospective members must choose to prioritise their commitments to SSSC activities before signing up for audition. Professionalism and diligence will help us progress more effectively during rehearsals.

The Youth Choir's 19/20 season schedule is below listed.

If you foresee conflicts with any of the programme dates, please mark a cross next to the programme.
