**RACHMANINOV:
Symphony No.2
(BIS BIS-SACD-1712)**

CAN there be anyone who has not succumbed to the charms of this great Russian symphony?

If so this desirable disc from the Singapore Symphony Orchestra could make the breakthrough for you. Chinese conductor Lan Shui has a real feeling for Rachmaninov. Recording quality is good, but I suggest turning up the volume a little to get the full impact of the climaxes.

★★★★☆
